## LEED Specification Sheet for New Construction and Major Renovation

Better for you.  
Better for the environment.  
Better for building.  
**BETTER. PERIOD.**

May 1, 2008

To Whom It May Concern:

This letter has been sent to verify the VOC content of Titebond® GREENchoice™ Heavy Duty Construction Adhesive. The current VOC content of this product is 6.6 g/L. Accordingly, the VOC content of Titebond® GREENchoice™ Heavy Duty Construction Adhesive is less than the current VOC content limits of California's South Coast Air Quality Management District (SCAQMD) Rule #1168.

Titebond GREENchoice Heavy Duty Construction Adhesive is eligible for the U.S. Green Building Council LEED NC Green Building Rating System for New Construction & Major Renovations v2.2 EQ credit 4.1. This statement is based on the Titebond product referenced above and the formulation of the product and the regulations in place according to the date of this letter.

For the use of this product, you could be contributing up to one point under the Indoor Environmental Quality Version 2.2 Rating System.

Please use this letter for specification purposes and call 1-888-533-9043 with any further questions.
